Dear George:

Enclosed is the original and one signed copy of Amendment Number 6 to Contract A-101.

As we have discussed by telephone, some changes still need to be made to bring the contract into agreement with your present intentions. I understand that you prefer to incorporate those changes in a subsequent amendment and to proceed on the basis of this amendment as presently drafted.

We will be forwarding to you a proposal on System No. 2 equipment production fairly shortly.

Sincerely,

25X1A

Bob
